The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Clifton Infrastructure Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Clifton, located at 900 Clifton Avenue, Clifton, NJ 07013. The project is located at 83 Ackerman Ave, Clifton, NJ 07011.

The purpose and use of this funding would be used to fund the construction and facility installments of a multilevel parking garage/deck downtown in Clifton. The project is an appropriate use of taxpayer funds because it improves the quality of life for residents and visitors of the City of Clifton. It will also enable the redevelopment of, and increase mobility to, the city of Clifton and promote the town's economic development. Additionally the funding will provide direct benefits to New Jersey's 9th Congressional District by providing job opportunities through the construction of the project.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor anyone in my immediate family have financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Nellie Pou".
