Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Street Safety Project in Little Ferry, New Jersey in Fiscal Year 2026. The entity to receive funding for this project is the Borough of Little Ferry, located at 215-217 Liberty Street, Little Ferry, New Jersey 07643. The funding would repair roads, sidewalks, and drainage systems which currently pose risks to safety and property. The project is an appropriate use of taxpayer funds because it would improve pedestrian and motorist safety; reduce the risk of flooding; and improve access for residents to schools, houses of worship, public transportation, and other important locations.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Nellie Pou".
